PROJECT EXPERIENCE

Static Personal Portfolio

Project Title: Personal Portfolio Website (Capstone 1)

Role: Zuitt Student (Front-end Developer)

Project Link: <https://roxbraga.github.io/webportforlio/>

Description:

- Created a visually stunning personal portfolio website using HTML, CSS, Bootstrap or Tailwind to showcase projects, skills, and professional achievements. The site is designed to be fully responsive, ensuring an optimal viewing experience across all devices.
- Developed portfolio with mobile-first design in mind. Interactive project gallery with image light box and custom CSS animations for a dynamic user experience. Styling with Bootstrap's grid system and components.
